

Fraud of VPP in publishing

Imitation may be the sincerest form of flattery in the world of branded goods, the movie-making world and the arts, but where true religion is concerned, it is an abomination to the true God, the “*I AM THAT I AM*”, the true *jealous* God, who said, “...*I am God, and there is none else; I am God, and there is none like me.*”

False religions, led by Satan, imitate what God has done through His only begotten Son, Jesus Christ. Satan is practiced in deceitful arts. For ages Satan has been practicing the art of delusion, and with him it is perfect. Christians are not to assume what appears to be pious is pious. We should not believe a “doctrine” merely because it appears to come from a pious person, or it sounds ‘biblical’. Rather, we ought to be cautious and realize that Satan and his ministers are masters of the art of deception.

The verbal plenary preservation (VPP) heresy has long been touted by the Far Eastern Bible College (FEBC) as a Christian ‘doctrine’. Recently they published a book,

Verbal Plenary Preservation of the Bible, A Course on the Doctrine of Verbal Plenary Preservation (Paperback), Faculty of FEBC College (Author)

It was sold through the internet under the publication “the old path publications”.

Now, those of us who have read works by the puritans and great reformed Christian authors would be familiar with the publisher, “old path publications”. One non-VPPist was rather surprised that this reputable publisher would endorse a book on the VPP “doctrine”. He wrote to the publisher to inquire about the VPP book.

Mr. Springer the president and founder of the reputable publisher clarified the situation...

To Professor Engelsma.
Dear Sir,

I greet you in the name of our Lord and Master, Jesus Christ.

The Old Paths Publication for which you are one of the members of the Board of Advisors is a great help to those of us who like to read works of puritans and godly Christians of the Reformed Faith.

Recently the Old Paths published a book, “Verbal Plenary Preservation of the Bible, A Course on the Doctrine of Verbal Plenary Preservation (Paperback), Faculty of FEBC College (Author)” ISBN-10: 0981798543”

Verbal Plenary Preservation (VPP) is a new teaching that is vigorously promoted by the Far Eastern Bible College. Many churches that were once linked to the FEBC have since

distanced themselves from her....

Dear Mr. Tang,

I was completely unaware of this publication.

As you know, I do not agree with the radical defense of the KJV, as though it is identical with the autographa.

Have you notified Mr. Springer of Old Paths of these things?

May I have your permission to forward your warning to him?

Greetings.

Cordially in Christ,
Prof. Engelsma

Dear Mr. Tang,

Greetings to you Philip. These greetings come in the name of Him Who makes us eternally debtors of gratitude.

At the outset, let me say that you have mistaken us for someone else. We are "**Old Paths Publications**" at **www.oldpathspublications.org**, however, the publisher of the book to which you refer is "**The Old Paths Publications**" at **www.theoldpathspublications.com**, an entirely different organization of which we have no affiliation nor association whatsoever. In fact, prior to today, I was totally unaware of the existence of their name, website, or book...

Conclusion:

Name of **genuine** publisher of historic reformed Christianity:

Old Paths Publications

Name of **impostor** (VPP) publisher of questionable 'Christianity':
